Notes:

With best regards

Save your Username and password and wait for a mail from the shop administrator sent to the mail you have provided.

ONLY when you have received the mail from the shop administrator you are ready to log-in the shop and see price data and delivery data.

When logged in the shop you can search either using the search function providing descriptions, Metrolab catalog p/n, or manufacturer's p/n, or using the preset search table for product classes (shown expanded left), manufacturer names, trademarks, product classes (left) and alphabetical search

The screenshot shows the Metrolab eShop website. At the top left is the Metrolab logo with the tagline "DELIVERING VALUE". To the right is a search bar with a magnifying glass icon and the text "Αναζήτηση...". Below the logo are navigation links: "ΑΡΧΙΚΗ", "Η ΕΤΑΙΡΕΙΑ", "ΠΡΟΪΟΝΤΑ & ΥΠΗΡΕΣΙΕΣ", "ΒΙΒΛΙΟΘΗΚΗ ΥΠΟΣΤΗΡΙΞΗΣ", and "ΝΕΑ - ΕΚΔΗΛΩΣΕΙΣ". A red speech bubble points to the search bar with the text "description, metrolab p/n, manufacturer p/n". Below the navigation is a breadcrumb "METROLAB eShop /". On the left is a list of product classes with expandable icons, including "General laboratory consumables", "Occupational safety, Security", "Analytical measurement and testing", "Stirring, Shaking, Mixing", "Sample preparation", "Distillation, separation, filtration", "Heating and cooling technology", "Liquid Handling", "Vacuum technology, Drying, Dry storage", "Optical instruments and Microscopes", "Cleanroom, Cleaning and sterilisation", "Environmental-, soil-, water-, food analysis", "Life Sciences", "Chromatography", and "Thermo Scientific". A red speech bubble points to this list with the text "Product classes". On the right is a search table with a blue header and the following categories: "Product classes", "E-Classes", "Manufacturers", "Trademarks", "Alphabetical Index", and "Numerical Index". A red speech bubble points to this table with the text "Product classes, Manufacturer names, Trademarks, Alphabetical order".

When locate the product or list of products of interest you have landed to a page like the following with products information and photo (1), general stock availability (2) – (happy/sad face: stock available/not available), standard price for the minimum qty (3), special price for larger qty (4) and the actions Order or Add to Favorites (5). If you add to favorites the item is added to your favorites box which can be recalled when necessary. When you type a qty in the box and click order, the picked qty of the item is added to your basket.

DWK Life Sciences Inc.
BEAKERS GLASS, DURAN® , LOW FORM

DIN 12331. ISO 3819. With approximate graduations and spout. With easy-to-read scale and large labelling field for easy marking. In fired-on, highly durable white ceramic. Copy list into Shopping Basket

If you click [order] you get a small screen with two options: [continue shopping] & [go to basket]. If you click [continue shopping] you get back to the previous shopping page to continue shopping. If you click [go to basket] you are transferred to the shopping box screen to conclude shopping with sending an order or ask for a quote

In the basket screen you see the list of the items you have chosen, the quantity (1) which can be changed, the unit price (2), the calculated line value (3) and the exact stock qty available in our warehouse in Germany (4). In the bottom of the list there is the total Goods value, the VAT (if applicable) and the Total value including VAT (5). On the top of the list you can pick the transaction type which can be either Inquiry or Order (6). If inquiry is picked the user is asking for an official quote before order. If order is picked the user is sending a definite order.

Each line can be deleted by clicking the Delete option in the end of the line. The total basket can be deleted by clicking the [Clear] tab at the bottom of the page. The items can also be transferred to the favorites box by clicking the [Add to favorites] tab at the bottom of the page (7).

If any lines are deleted or any quantities (1) are changed, the user must click the tab [Calculate] at the bottom of the screen (7), to recalculate the line values and the Total values.

If the user is ready to place the order or inquiry he must click the tab [Complete] at the bottom of the screen (7).
